Memorandum from

EDWARD M. KABAK

3/21/74

Dear Harold,

After much futile searching I finally uncovered this copy of "Where Murder Waits."

The salespeople in the books stores here advise that Hunt's books just don't sell well at all! Surprised?

I assume you saw Jack Anderson's column "CIA + Watergate" this week; if not I'll save it for you.

I'm now splitting my reading (which is voracious) between politics & anthropology. Strangely enough, a study of mythology casts new light on our political processes.

Hope to see you soon. Regards to Li'l.

Best.

Ed
